

Asia Pacific

It is with equal proportions of joy and sadness that *IJGlobal* announces the winners of our awards for company activity and deals closed across the 2019 calendar year in the Asia Pacific region.

The APAC team – led by regional editor Alexandra Dockreay in Sydney and senior journalist Dave Doré in Hong Kong – had been looking forward to hosting a conference in Singapore, followed by an awards night in The Westin.

This was sadly cancelled due to the coronavirus pandemic as *IJGlobal* took the tough decision that so many other organisations did in this challenging time – to cancel events in the interests of the safety and well-being of our partners.

We at IJ are always keen to drive home the impartiality of our judging process which – we believe – is renowned for being the most fairly judged, relying on a team of independent, senior infrastructure and energy players active across the APAC region. We are now delighted to announce the winners.
