

IJGlobal Awards 2019

The Americas

Had it not been for the coronavirus pandemic, *IJGlobal* would have hosted its Awards Night for The Americas in March at an impressively more swell venue than previous years.

However, *IJGlobal* took the decision early on to cancel the awards night – as well as the 3-day Miami conference immediately prior to it – in the interests of the safety and well-being of our partners.

The *IJGlobal* Awards Night 2019 was to have been staged in The Pierre, New York, pulling in the great and the good of the infrastructure and energy finance community from across North and South America.

Before naming the winners, we at IJ are always keen to drive home the impartiality of our judging process which is famed for being the most equitably-judged in the infra community, relying on a team of independent, senior players active across the Americas.

Lacking the fanfare – and the all-important music quiz that keeps many guests rooted to their seats until the final minute – we are now delighted to announce the winners.

Winners in the North American transaction category are:

- Battery Storage – **Lawa'i Solar and Battery Energy Storage System**
- Power – **Hill Top Energy Center**
- Transmission – **Wataynikaneyap Power Transmission Project**
- Utility – **ESAP Modernization Project**
