

IJGlobal Awards 2019

Europe & Africa

It is with great pleasure – but sadly not in the splendour of London's Natural History Museum – that we announce *IJGlobal's* winners for European and African awards for company activity and transactions closed over calendar year 2019.

Sadly, due to the coronavirus pandemic, we were forced to cancel the March dinner and ceremony in the spiritual home of *IJGlobal* Award Nights, under the watchful gaze of dinosaurs from the industry and pre-history alike.

Winners in the institutional category were voted on by senior figures from across the regional infrastructure and energy community – none allowed to vote in their own business areas – in what is widely regarded to be the most independently-judged awards in this sector.
